

Trident Amateur Radio Club, Inc.

Membership Meeting Minutes FINAL

5/20/2024

Officers:

President - Steve Anderjack, KO4AFL – Welcome

Vice President - TW Kirkpatrick, KF4CQH –

Treasurer - Jim Self, KW4PW –

Secretary - Renata Sierzega, KQ4ASH –

Board Member at Large - Chris Benoit, KC4NW –

Board Member at Large - Glenn Stephens, WA4NMW –

Membership – Ron Davis, K4TCP –

Testing – Ron Davis, K4TCP / Steve Anderjack, KO4AFL

Programs – Greg Mitchell KB1AWM -

QSL manager –Chris Benoit KC4NW-

Repeaters – Bryce Myers, K4LXF –

Fund Raising –Jim Self, KW4PW – Soldering Station (May); ARRL Learn CW text (June)

Properties – TW Kirkpatrick, KF4CQH –

Education and Scholarship- Jim Wasson KO4MNB/ Stephen Behr K4OPZ

Field Day- Ron K4TCP, TW KF4CQH and John Satterfield KK4JS

Attendance 25

Call to order: 1900

Location: American Red Cross Offices, 2424 A City Hall Lane, N Charleston, SC

Upcoming Events: Note: All participation for events must be approved by the Board prior to any members signing up the Club to participate.

Museum Ship Weekend: 1 Jun 2024 Saturday only. 8 AM- 8 PM confirmed. Dave will be there early to open the gate. If someone could bring one of the computers for logging it would be nice. If not, we'll log manually and load them later. HUNLEY at the boat yard at the Friends of Hunley Museum POC: Dave Merritts AE4ZR

Summer Field Day 22-23 June 2024 POC John KK4JS

- St John's Episcopal Church field, 3673 Maybank Hwy, John's Island, SC 29457. POC Clark Cromwell O:843-974-5593; M:504-578-8543
- SET UP MID-MORNING!
- Post event to the Charleston Business Club.
- A donation to the church will be made.
- Berkley ARES and CARS have been invited to join us.
- Suggested put announcement in ARRL bulletin and send out press release.
- Board approved club expense the main "protein" on the menu, water, tea and paper products with members bringing a dish to pass for a club dinner on 22 Jun 24 at 6 pm.
- Renata KQ4ASH and Chip WB4ZVR will visit the facilities kitchen.
- A sign-up list will be created for members to bring "sides" for the meal on Saturday at 6:30 pm. Please come early and join your TARC family for a nice evening of on and off the air chatter.

The Citadel Cyber Awareness Month Oct 2024

OLD BUSINESS:

Maintenance and Deployment Committee: POC Steve Anderjack KO4AFL Members: Chip WB4ZVR & Jim KW4PW & Mike KJ4TAC & Ron K4TCP & Glenn WA4NMW

- A “curtain” specifically for sound proofing may need to be installed to decrease the sound further.
- Work left to be done:
 - Mount propane tanks after continued floor repair (weld frame “C” channel support)
 - An 8-foot cleanable rug runner may be helpful
 - Some rust spots noted on the trailer frame and needs to be removed
 - Small dehumidifier for the trailer
- Trailer Use Discussion: Club use, educational use, promotional use
 - Request for consideration of trailer use needs to be submitted to the committee 60-90 days in advance

Most Likely	Possible Trailer events
Winter Field Day: ON SITE	Spring Operating Day
Hunley Event – Ft Moultrie POTA	Museum Ships Weekend
Summer Field Day: TRAILER	Fall Operating Day
Little David: TRAILER	Citadel Cyber Event
JBC Air Show/Open House: TRAILER (not annual event)	

- The Maintenance and Deployment Committee:
 - Plan: Meet monthly on Wed prior to Board Meeting
- Solar panels were donated when trailer grant was awarded, solar charge controller donated by Samlex power in return Steve will be releasing a You Tube video on the trailer and listing the donors as sponsors. All items for the solar side of the trailer are now in our control just need to get a work day to install and test.

Jim Wallace: Silent Key. Jim’s wife Mary had donated his radio equipment to TARC. Board discussed using the equipment as part of a GOTA (Go-On-The-Air) Box of equipment when the trailer is not in use and place a plaque on the equipment noted it was donated by Jim’s family. A note of thanks will be sent to the family.

Steve KO4AFL has compiled a list of the major donated items. There are 3 radios. DX 10 and 7300 will be used by the club. A FT 897D radio, all bands all modes, will be presented to the club for donation via a silent auction at the next club membership meeting (June 2024) starting minimum bid of \$250.

Chip WB4ZVR noted a 2 M radio would be a great asset to the club trailer. A second 2M rig to be a dedicated APRS station, apart from the ICOM ID-5100A VHF/UHF/DSTAR radio mounted to the wall between the two stations with its own DC-DC converter.

Education and Scholarship Committee:

EDUCATION:

Palmetto Scholars Academy POC Steve Behr K4OPZ

No update (Mar- Jun 24)

St. John Catholic School: POC Jim Wasson KO4MNB and Stephen Behr K4OPZ

- ARRL education curriculum. Wrapped up the classes at St John Catholic School on 29 April with an introduction to long range radio communications and completed the one amplifier that wasn't completed in February. Amplifier was tested with the crystal radio and confirmed operational.
- The students presented us with thank you notes for the crystal radios and teaching them about amateur radio this past school year. Great job by the team and their work with the students!
- The Principal Karen Durand will be attending the ARRL Teachers Institute in June. They will be returning to the school with a great education on HAM radio and equipment for the school. Karen submitted her application to attend the ARRL Teachers Institute on Wireless Technology.
- With Karen Durand, school principal, made a first visit to their future 'STEM' building. Jim and Steve will take measurements and assess possible antenna location when we return to the school on 22 May 24.
- In addition, the Committee purchased two new HTs with accessories to present to both educators once they are licensed.

SC Department of Employment and Workforce: POC Jim Wasson, KO4MNB

May 2024: Provided post meeting

A proposal developed by TARC and the South Carolina Department of Employment and Workforce (SCDEW) has been selected to participate in a scheduled Amateur Radio on the International Space Station (ARISS) contact in the July-December 2024 period, and a contract was sent to TARC to execute.

The ARISS Press Release was posted by Ron Davis on the TARC Website. The contract was signed and submitted. Tom Glaab and Jim Wasson did site surveys on May 8 at three schools and submitted an equipment plan that was due on May 15. Students will prepare questions to ask during the ISS contact. The 3 schools are:

- Woodland Middle School in Dorchester
- Ronald McNair School in Lake City
- Hillcrest Middle School in Dalzell

TARC team includes Jim KO4MNB, Tom AJ4UQ, Greg KB1AWM, Steve K4OPZ and Steve KO4AFL.

Properties: TW Kirkpatrick KF4CQH

Add GOTA Box to inventory.

Membership: POC Ron K4TCP

Current membership: 94

Discussion to consider business cards for the club to provide to interested people.

QSL: POC: Chris KC4NW

- Update: 1 QSL card sent out; 1 QSL card received
- N4EE: Maintain N4EE for Special Events and Field Day. David Merritts AE4ZR is the custodian and uploads into QRZ.
- N4HLH: Use for Hunley Events. Ron K4TCP is the custodian and uploads into QRZ.
- W4ANK: Repeater Call Sign for future for club events.

Media: POC Ron K4TCP

- Note: When Mailchi.mp is updated, a notice is added to the TARC (Trident Area Radio Club) FB page.

Program ideas: The following ideas to be considered for future club programing for members.

Please note: The ideas listed below need to be confirmed with an ELMER presenting.

- April: Glen WA4MNW: Technician Session: Portable Radio Testing: VHF and UHF propagation; antennas: portable vs mobile Thank you Glen!
- May: Glen N2GW: Radio modes: APRS, WINLINK: Great presentation!
- June:
- July: Ron K4TCP: How to use CHIRP to program your Baofeng (or other) radio
- Radio activities: satellite
- Propagation information: solar cycle
- J pole and antennas
- Programing for Extras
- Ladder lines

TREASURER: South Carolina Federal Credit Union

- Total balance: \$6,303
- Expenses:
 - Posters: \$75
 - Pack of checks: \$45
- Earnings:
 - Dues received
- Social media: Website: Dream Host
 - Hosting due **1/20/25**.
 - Domain registration: \$17.99 yearly due **1/16/25**
- Raffle: Soldering Station (May); ARRL Learn CW text (June)

NEW BUSINESS:

Education and Scholarship Committee:

EDUCATION:

St John Catholic School: POC Jim Wasson KO4MNB and Stephen Behr K4OPZ

- See updates under Old Business

W4DAX Scholarship: POC Jim KO4MNB

- April 2025
- Ideas for the future to increase the number of applicants
 - Only 5 applicants over two years and 3 were personal referrals
 - Ask teachers specifically to talk to students.
 - Consider providing information on the scholarship to the PTA.
- The application is on the TARC website.
- Note: The quality of the applicants has been outstanding.

- Board will explore the Foundation of Amateur Radio (see link below) as a possible alternative to administer the WA4DAX Scholarship Program pursuant to Tom WA4DAX's approval.
 - Foundation for Amateur Radio
 - <https://www.farweb.org/>

Citadel Ham Radio Club N4CIT: POC: Jim KO4MNB, Steve K4OPZ

Col Linda Riedel, Dep Dir of Ops and Outreach, Citadel DoD Cyber Institute: TARC gave her the contact information for the trustee to investigate where the equipment from the previous radio station is stored.

Citadel Adjunct Prof Mark Lester is a HAM. Jim e-mailed Mark Lester and he responded that he would be glad to help restart the Citadel Ham Radio Club. However, now limited response.

The Citadel responded back that they would like to have us come in October for Cyber Awareness Month.

Repeaters: Status will be reported monthly. POC: Bryce K4LXF

- Knightsville: 146.94: Switched back to Wallace. This may be an antenna problem
- Adams Run: 147.345
- Monks Corner: Random issues: resolved
- Wallace Road: 100-watt amp replaced: resolved
- Awendaw: 100-watt amp replaced: resolved

JBC 2024 Air Show: Success! Discussion on after action report.

- Logs need to be submitted for N4EE to Dave AE4ZR
- 15 scanned the QR code

General Information:

Testing: Testing is scheduled the 3rd Wed of every month.

Two tested: Congratulations to our own new EXTRA Jim Wasson KO4MNB

June site may need to change due to voting at the current site.

ELMERS: Thanks to Tommy Billings AA4TB who responded to an on-air request for radio assistance.

Lending Library: A suggestion was made to create a lending library to assist members in advancing their Ham Radion education and licensing.

ARRL News:

The theme for 2024 ARRL Field Day is "Be Radio Active." The event will run on June 22 - 23, and it will be one-part contest, one-part emergency communications exercise, and one-part open house -- and a great time. The theme encourages radio amateurs to take advantage of the peak of Solar Cycle 25, which we are nearing. Activity this year is likely to be extremely high thanks to favorable solar conditions. The upper HF bands, such as 15 and 10 meters, should benefit most from the Cycle's peak.

Adjourned: 1956

Renata Sierzega

KQ4ASH

Seaboard Traders 2139 North Boland Circle, Suite 200, N Charleston. Diana has the club logo. Phone 843-277-2591. Email: sales@seaboardtraders.com She prefers the official order to come via email so it is in writing if you are not on location.

RADIO OPS class sponsored by the National Electronics Museum.

Here is the link to the signup form:

<https://forms.gle/jKoezyUr5Ak2pvji9>

It takes less than a minute to sign up.

Sessions are recorded and available at tinyurl.com/operate24

The syllabus for the course is:

CW in the no-code era

Digital Modes

Contesting

Logging Software

Amateur Satellites

Portable (backpacking) Operating

Propagation: HF and 6-meter Propagation during the next 4 years near Solar Max

Public Service Communications

Emergency Communications

Lightning Protection and Grounding

Traffic Handling

Setting up a Modern (or not so modern) HF Station

The final syllabus will be posted at the tinyurl.com/operate24 site. Copies of PowerPoint presentations and other information will also be posted at this site.

There is no text required, but "The ARRL Operating Manual for Radio Amateurs, 12th Edition" is available in paperback and Kindle versions, and covers much of the material we will present.

Here is the Zoom info:

Topic: Operating Classes 2023

Dates: Thursdays, Apr 4 through June 20, 2024

Times: 6:30 PM to 9:30 PM Eastern Time (US and Canada)
